Dashboard (static)

School Selection

- ▶ Native American Graduation Rate
 - Selected Schools:
 - Red Mesa High School: 73%, ~80 students (Apache)
 - Flagstaff High School: 86%, ~100 students (Coconino)
 - Possible Peer Schools:
 - Red Valley/Cove High School, Valley High School, Ganado High School
 - Coconino High School, Page High School

School Selection

- ▶ Limited English Proficient Graduation Rate
 - Selected Schools:
 - There are no schools with a large enough concentration of these students in a graduation cohort to study

School Selection

► Hispanic Graduation Rate

◦ Selected Schools:

- Coconino High School: 86%, ~90 students (Coconino)
- Safford High School: 89%, ~65 students (Graham)
- Marana High School: 80%, ~100 students (Pima)
- Casa Grande Union High School: 89%, ~300 students (Pinal)
- Kofa High School: 84%, ~360 students (Yuma)
- Several possibilities in Maricopa County

◦ Possible Peer Schools:

- Flagstaff High School
- Mt Graham High School
- Catalina High Magnet School
- Santa Cruz Valley Union High School, Maricopa High School
- Cibola High School, San Luis High School, Yuma High School

Discussion

- ▶ How can we make sure the school visit teams have the necessary experts without making them too large?
- ▶ Are there hypotheses we can create about the selected schools and peers to drive our team selection?
